## Clues for Logic Puzzle: M298MO

1. The Thompsons are either the family moving into the Todd Street apartment or the family paying \$740 a month.
2. The family moving into the Kermit Lane apartment isn't moving in on Friday.
3. The Underwoods are paying less per month than the Nortons.
4. The family moving into the Front Street apartment is paying less per month than the Ingrams.
5. The family paying \$740 a month isn't moving in on Friday.
6. The Underwoods aren't moving in on Sunday.
7. The family moving into the Holly Street apartment is paying more per month than the Nortons.
8. The family moving into the Ethel Street apartment is moving in on Monday.
9. The Gordons are paying 10 dollars more per month than the family moving into the Ivy Street apartment.
10. The Ingrams are moving into the Ivy Street apartment.
11. The family moving into the M Street apartment is either the family moving in on Sunday or the family paying \$730 a month.
12. The family moving in on Wednesday is paying 10 dollars more per month than the family moving in on Thursday.
13. The seven families are the family paying \$700 a month, the family moving into the Holly Street apartment, the family moving into the Front Street apartment, the family moving into the Ivy Street apartment, the family moving into the Ethel Street apartment, the Nortons and the family moving into the M Street apartment.
14. The Underwoods are paying \$720 a month.
15. The family moving into the Ivy Street apartment isn't moving in on Saturday.
16. The Kerrs aren't paying \$710 a month.
17. Of the family paying \$690 a month and the family paying \$700 a month, one is moving in on Thursday and the other is moving into the Todd Street apartment.
