Clues for Logic Puzzle: C152FG

1. The family moving into the Jessica Lane apartment is paying less per month than the Quinns.
2. Neither the family moving into the Todd Street apartment nor the Gordons are the family paying \$870 a month.
3. The family paying \$880 a month, the family moving in on Wednesday, the family moving into the Holly Street apartment, the Underwoods, the family moving in on Friday and the family moving into the Todd Street apartment are all different families.
4. The Sheltons are either the family paying \$840 a month or the family moving into the Lake Street apartment.
5. The family moving in on Sunday is paying 10 dollars more per month than the family moving into the Jessica Lane apartment.
6. The family moving in on Tuesday is paying 20 dollars more per month than the Kerrs.
7. Of the family moving into the Brian Lane apartment and the family moving in on Friday, one is paying \$840 a month and the other is the Russells.
8. The family moving in on Thursday is paying less per month than the family moving in on Monday.
9. Neither the Russells nor the family moving into the Jessica Lane apartment is the family moving in on Saturday.
10. Of the Underwoods and the family paying \$860 a month, one is moving into the Lake Street apartment and the other is moving in on Monday.
11. The Gordons aren't moving in on Wednesday.
12. The family moving in on Thursday is paying 40 dollars less per month than the family moving in on Saturday.
13. The family moving into the Jessica Lane apartment is paying 10 dollars less per month than the family moving into the Todd Street apartment.
14. The Russells aren't moving in on Tuesday.
15. The family moving into the Jessica Lane apartment is paying 20 dollars more per month than the family moving into the Quince Street apartment.
