Salaries	First Names	Wood	Wedding Gifts
\$121,000			
\$144,000			
\$155,000			
\$182,000			

- The person whose table is made of boxwood is not Abbigail.
- Grant didn't receive the toaster or dining table.
- The person who received the microwave doesn't have a table made of cherrywood.
- The person whose table is made of mahogany is Melanie.
- Either the person who received the dining table or the person who received the microwave has the table made of cherrywood.
- The person who received the cutlery set doesn't have a table made of mahogany and is not Melanie.
- Abbigail doesn't have a table made of cherrywood and does not earn a \$155,000 salary.
- The person who received the microwave earns more than the person whose table is made of cedar.
- The employee with the \$182,000 salary loved the dining table they received.
- The person whose table is made of mahogany earns less than the person who received the dining table.
- The person who received the cutlery set is not Kimora.
- Of Melanie and Abbigail, one loved the microwave they received and the other earns \$144,000 per year.
