Hospital Bills	First Names	Candles	Lights
\$710			
\$770			
\$910			
\$2200			

- The person who bought the LED light is Makayla.
- Of the person who lit the gardenia candle and the person who lit the freesia candle, one has the \$710 hospital bill and the other bought the mercury-vapor light.
- The person who bought the mercury-vapor light owes more money than the person who lit the peppermint candle.
- The patient with the \$770 hospital bill bought the sodium-vapor light.
- Either the person who lit the peppermint candle or the person who lit the vanilla candle is Patrick.
- The 4 people were the person who lit the peppermint candle, the person who bought the fluorescent light, the patient with the \$2200 hospital bill, and Taryn.
- The person who lit the freesia candle is not Aubree.
- The person who bought the LED light owes more money than the person who lit the freesia candle.
- The person who bought the sodium-vapor light didn't light the vanilla candle.
