emperor																																	
grayling																																	
peacock																																	
swallowtail																																	

- The emperor butterfly cost 30 dollars more than Derek's purchase..
- Of the insect that sold for \$75 and the specimen from Canada, one was the swallowtail butterfly and the other was won by Phillip..
- The specimen from France wasn't the atlas butterfly..
- The insect that sold for \$105 wasn't the peacock butterfly..
- The specimen from Qatar cost 15 dollars less than Victor's purchase..
- Of the insect that sold for \$90 and Victor's purchase, one was the swallowtail butterfly and the other was from Ukraine..
- The peacock butterfly cost more than Yvette's purchase..
- The specimen from Madagascar was either the swallowtail butterfly or Phillip's purchase..
